OUR PRESIDENT – SUZY VALENTINE

Suzy Valentine is a gardener, horticulturist, botanist, organic sculptor, flower arranger, and teacher. For 32 years she lived in Brazil – a botanical paradise – and soon was very active in garden club activities. In 1977, she became an Internationally Accredited Flower Show Judge, and enjoyed designing creatively, teaching and exhibiting around South America. She returned to the U.S. and lived in the high mountains of the West. Always creating with whatever plant material was available, she also learned new gardening techniques and began teaching Square Foot Gardening in this country and Central and Latin America. That brought her to Florida, where Suzy felt at home enough to “settle down” on the Gulf Coast. She became a Master Gardener as well as a Master Judge, and continued her passion for exploring, learning, and sharing knowledge. Suzy travels frequently, usually to Brazil to visit family and friends, but also around Florida for historical and horticultural events. Her varied passions (husband David being foremost) and trying to keep up with all their mutual interests and activities make for a full and fascinating life.

Currently, Suzy serves as 2nd Vice President of the Bonita Springs Historical Society and is a Member of the Bonita Springs Tree Advisory Board.

OUR HISTORY AND MISSION

The Gulf Coast Garden Club (**GCGC**) planted its roots when Carole Mack, Betty Mazzarella and Linda Edsall decided to form a new garden club in Bonita Springs that *ANYONE* could join. They recruited 25 enthusiastic gardeners, and held the first meeting in December of 2003 with a holiday program. Everyone made a design to take home from that meeting. Hands-on experience became a core part of the Mission.

GCGC was accepted into the Florida Federation of Garden Clubs in April 2004. Meetings were held in various locations until Unity Church of Bonita Springs became the regular meeting place.

GCGC is a non-profit organization comprised of both experienced and novice gardeners and designers who share their ideas, designs and information with all who are interested. Our primary Mission, as expressed by current president Suzy Valentine, is "to understand and appreciate our unique Southwest Florida environment and to share the love of plants and beauty".
